

services to care at the Haven of Our Lady of Peace nursing home—across eight Gulf Coast counties. Sacred Heart's Pensacola location has continued to grow, most recently adding the Bayou Tower in 2014 to expand the hospital's capacity in Pensacola to 566 beds. In addition, Sacred Heart further expanded to meet the health care needs of Okaloosa and Walton Counties by constructing Sacred Heart on the Emerald Coast—a 58 bed hospital in Destin, Florida—as well as Sacred Heart Hospital on the Gulf—a 19 bed community hospital in Gulf County, in Port St. Joe, Florida. Today, a century after its founding, Sacred Heart has 78 facilities serving hundreds of thousands of residents along 350 miles of the Gulf Coast.

While Sacred Heart Hospital and the community it serves have grown exponentially since it first opened its doors, Sacred Heart's dedication to its patients and commitment to compassionate care have never wavered. Sacred Heart's tremendous success is a testament to the thousands of individuals that have worked tirelessly over the last 100 years to serve Northwest Florida.

Mr. Speaker, on behalf of the United States Congress, I am honored to recognize and celebrate the Centennial Anniversary of Sacred Heart Hospital. My wife Vicki and I congratulate all those who have worked at Sacred Heart over the course of its history, and wish Sacred Heart all the best as it continues to serve the Gulf Coast community for the next 100 years and beyond.

They were married in 1983.

Judy went on to work in the California district office for her husband before moving to Washington, DC. She remained active in national politics, working in development and fundraising for the Democratic Senatorial Campaign Committee, the Democratic Congressional Campaign Committee and the Center for National Policy. Before her retirement in 1998, she worked for Arter & Hadden, a Cleveland-based law firm with offices in Washington.

A devoted wife, mother, and grandmother, Judy was also a world traveler and a voracious reader. A consummate hostess, an invitation to the Fazio home meant a great meal, a beautiful home, and a lively conversation. She managed the home and a career, becoming a self-taught gourmet cook while working various positions in Washington, DC.

She is survived by her husband Vic, her children Kevin and Kristie; her stepdaughter Dana; three granddaughters, Kendra Kern, Karly Kern and Keira Jeske, and her sister Carol Davidson. She was preceded in death by stepdaughter Anne Noel Fazio.

Today, The California Congressional Delegation salutes and honors the extraordinary life of Mrs. Judy Kern Fazio. We join all of Judy's loved ones in celebrating her incredible life. She will be deeply missed.

A MEMORIAL TRIBUTE TO PAUL
GOLDENBERG

HON. ADAM B. SCHIFF
OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES
Thursday, September 10, 2015

Mr. SCHIFF. Mr. Speaker, I rise today to honor the memory of Paul I. Goldenberg of La Habra, California, a kind, generous and highly respected man who was a pioneer in the field of television sales and marketing.

The son of Jewish immigrants from Russia and Austria, Paul was born in Los Angeles, California on April 22, 1928. After his graduation from Dorsey High School, Paul began his university studies at the University of California, Los Angeles at the young age of 16, but after two weeks, he decided that college

was not for him, and dropped out. After serving in the United States Army as a photographer, he enrolled in a television repair course. In 1952, Paul borrowed \$1000 from a relative to open his very own TV repair shop on the corner of Hollywood Boulevard and Vermont Avenue in Los Angeles.

Mr. Goldenberg expanded his business in 1960 when he opened a store in La Habra, California, selling TVs and other household appliances. Throughout the decades, Paul turned his humble store into the largest single store television retailer in the United States. Through his vision of the future role that television would play, Paul invested heavily into large projection TVs and home video players. It was not long before he became known as the self-proclaimed champion of big screen TV sales, "The King of the Big Screen." Paul was a skilled salesman and marketer who had genuine concern for his customers, and he enjoyed resolving customers' issues, and ensuring that his employees provided top notch customer service.

A generous man, Paul was proud of his philanthropic endeavors, and after his retirement, he dedicated himself even more to his charitable efforts. During his lifetime, he gave over \$20 million to over 173 non-profit and charitable organizations, including the Los Angeles Jewish Home for the Aging, the CHP 11-99 Foundation, and the City of Hope, a comprehensive cancer center in Duarte. Paul awarded college scholarships to Sonora High School students in La Habra and funded annual educational trips to Washington, DC for students at his alma mater, Dorsey High School. Described as a rescuer and a practical psychologist, Paul often lent support and advice to family and friends during their times of tribulation and crisis. A classic film lover since his childhood, he had a great sense of humor, and was an avid storyteller.

Paul passed away on August 13, 2015. He is survived by his son, Douglas Goldenberg, and a granddaughter, Lucy Goldenberg. I ask all members to join me in remembering Paul I. Goldenberg, a captain of his industry, and a man of great virtue and generosity.

RECOGNIZING THE MARSHALL
FAMILY AS THE 2015 OKALOOSA
COUNTY FLORIDA, OUTSTANDING
FARM FAMILY OF THE YEAR

HON. JEFF MILLER
OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES
Thursday, September 10, 2015

Mr. MILLER of Florida. Mr. Speaker, it is with great pleasure that I rise to recognize the Marshall Family from Baker, Florida, for being selected as the 2015 Okaloosa County, Florida, Outstanding Farm Family of the Year.

Marshall Farms has been a family affair for four generations, and their immense contribution to the Okaloosa County agricultural community is evidenced by their selection as the Outstanding Farm Family of the Year—the second time the family has received this honor. Today, the family's Row-Crop farm, led by James and his son, Nick, covers over 2400 acres and consists of cotton, peanuts, and corn. As leaders in the community in the use of advanced technology, the Marshall family understands the importance of time and efficiency and was among the first to use Precision Agriculture to sample, fertilize, and lime,
